Greater Visakhapatnam Municipal Corporation Phone: (+91) 891-2746301 Website: www.vizaqcityonline.com		Mr. T. Moses Kumar Superintending Engineer (Projects) Greater Visakhapatnam Municipal Corporation Phone: (+91) 891-2552591 Email: moseskumar47@rediffmail.com	Area: 550 km ² Population: 2,500,000 Visakhapatnam is located on the south east coast of India and is the second largest city in the state of Andhra Pradesh and the third largest city on the east coast of India after Kolkata and Chennai.	 
Central State Partner Municipal Administration & Urban Development (UBS) Department		Other Partners	It is primarily an industrial city, apart from being a port city.	
KEY CITY DEVELOPMENT ISSUES				
The overall city's development plans focus on the following areas: In tune with the city development plan for Visakhapatnam, the city looks at improving the water supply system in the greater Visakhapatnam covering all categories of consumers.				
DETAILS OF COOPERATION				
CDIA supported activities include:				
a) Comprehensive review of the city development plan including programming and prioritization of infrastructure projects. b) Support the preparation of a Pre-feasibility study on water supply distribution. c) Linkage of the Pre-feasibility study with potential financiers; d) Assist the city in strengthening its own capacity for improved infrastructure provision.				
EXPECTED DEVELOPMENTAL IMPACTS				
- Improvement of the urban environment and informal settlements through upgrading of priority basic infrastructure services. - Improved access to clean water supply services through upgrading of related water supply facilities.
