It is located to the North-West of Pune, 190 kms from India's financial centre Mumbai.</p>			
Central State Partner Government of Maharashtra		Other Partners	<p>Pimpri-Chinchwad is a major industrial hub and hosts one of the biggest industrial zones in Asia comprising auto-ancillary industries and IT services industry.</p>			
KEY CITY DEVELOPMENT ISSUES						
<p>The overall city's development plans focus on the following areas:</p> <p>Pimpri-Chinchwad is considered to have a strong economic base due to shifting from agriculture to industry and a knowledge based economy in recent decades. This explains the rapid growth in urbanization. In this context, PCMC is taking actions to meet their urban services and infrastructure needs to provide quality standards of living and economic development for its citizens as mentioned in the city development plan (2006 - 2012).</p>						
DETAILS OF COOPERATION						
<p>CDIA supported activities include:</p> <ul style="list-style-type: none"> a) Development of an integrated urban infrastructure investment programme including water supply, sanitation, sewerage, drainage and solid waste management sectors; b) Pre-feasibility on water supply; c) Assist the city to identify potential financial resources, particularly from the private sector for the identified investments; d) Assist the city in strengthening its own capacity for carrying out the investments successfully. 						
EXPECTED DEVELOPMENTAL IMPACTS						
<ul style="list-style-type: none"> - Environmental improvement due to 100% treatment of waste water by Sewerage systems; - Improved access to clean water supply services for PCMC citizens as well as for the urban poor (slum area) which accounts 12% of the city;
